Dedication - Going Our Way for 13 Years

In her 13 years at SHS, Mrs. Busch has devoted much of her time to the students and their activities.

Mrs. Busch has been here to help the students gain knowledge that will be useful later in life by teaching classes such as English I, English II, Vocabulary and Grammar/Power Reading, and Special Services. Because Mrs. Busch demands preciseness and responsibility from her students, they agree that they learn a lot from her.

In addition to sponsoring Orchesis, cheerleading, and scrub club, she has also sponsored several senior classes and this year's freshman class.

Mrs. Busch choreographs most of the cheers and cheerleading routines, Orchesis dance steps, and the musical dance steps. She also made the uniforms for freshman, junior varsity, and varsity cheerleaders. Mrs. Busch attends camp with the high school cheerleaders and sponsors a cheerleading camp for the area junior high cheerleaders. Mrs. Busch is not only a great teacher and a terrific sponsor but also a friend to the students at SHS.

For her dedication to her students and to SHS, the Eagle Staff is proud to dedicate the 1986 EAGLE to Mrs. Mary Busch.

Friends Forever

To define a friend is almost an impossibility. A friend means so many different things to so many different people. When asked what he looks for in a friend, Brad Rodgers said, "I look for someone I can trust and talk to. I also look for someone with a good personality who likes to do the same things as I." Mrs. Linda Minnigerode said she looks for, "Someone who cares and is understanding. Someone who accepts you as you are." Debbie Pfeiffer had this to say about what to look for in a friend, "Personality is what you first see in a person so I guess that's the first thing I look for in a friend. Trust and loyalty are two other things I look for. A friend is also a good listener; someone you can talk to whenever you have a problem, and someone with whom you can share your happiest moments. A true friend is a friend forever."

What are the characteristics of a friend? Kindness, compassion, understanding, encouragement, trust and joy. These are the gifts that a friend gives. We look for these things in a friend, but, more importantly, we should possess them ourselves.

Friendship is not something that lasts for a short time. It is a bond that lasts for a lifetime. A friend is always there, sometimes before you even ask for his help. A friend knows your deepest secrets, shares all the fun times, and helps you strive for your highest goals.

When we look back on our high school days, we remember our friends as a very important part of them. Our fondest memories will be of those times we share with our friends.

Breaking the Twelve-Year Habit

"If you can imagine it, you can achieve it; if you can dream it, you can become it." This is the phrase the seniors chose as their class motto. The class of 1986 lived by this motto and made their last year at SHS a prosperous one.

The seniors involved themsleves in a bowl-a-thon to raise money for Tonya Turner, a leukemia victim, as a service project. The seniors also sold candy to raise money for their individual accounts for their out-of-school trip to Florida. They competed in the football homecoming float competition and the basketball homecoming banner contest.

The seniors were given an open-lunch privilege for one day each month.

The seniors chose "Day by Day" as their class hymn and "Imagine" as their class song. The class colors are peach and ivory, and the class flower is an ivory sweetheart rose.

The senior class was led by Debbie Pfeiffer, president; Robin Nonnenkamp, vice-president; Gayle Stack, secretary; and Tricia Martin, treasurer. The senior class was guided by Mr. Dean Wigger and Mrs. Linda Minnegerode.

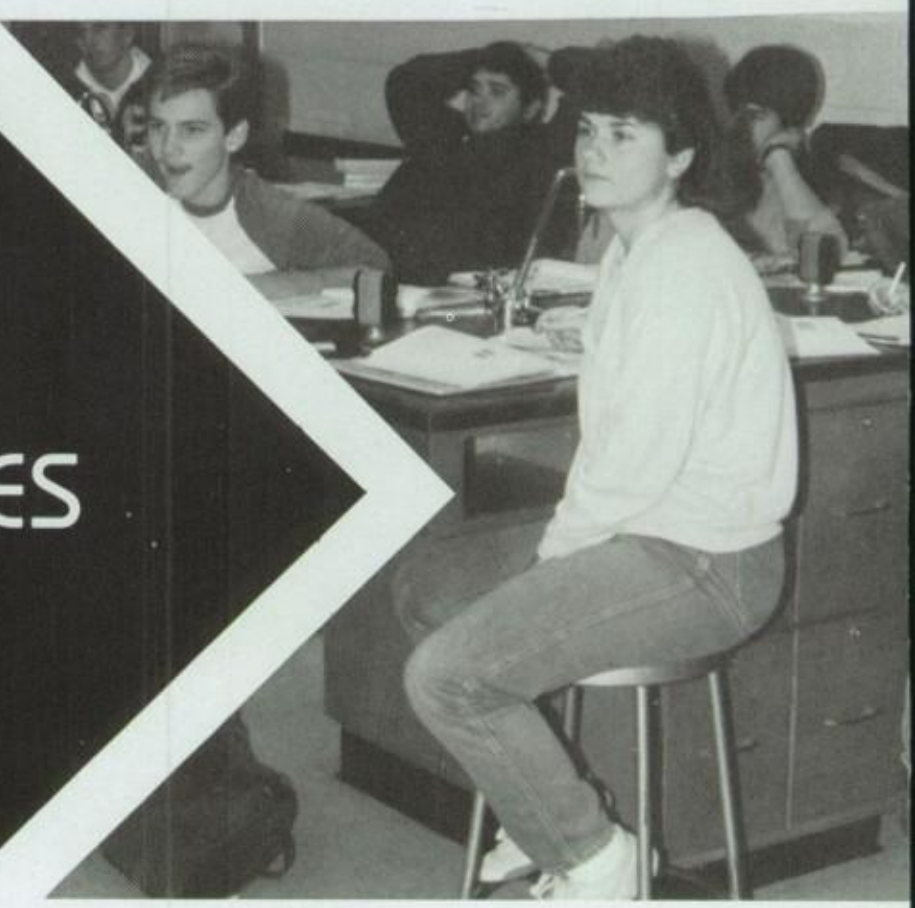
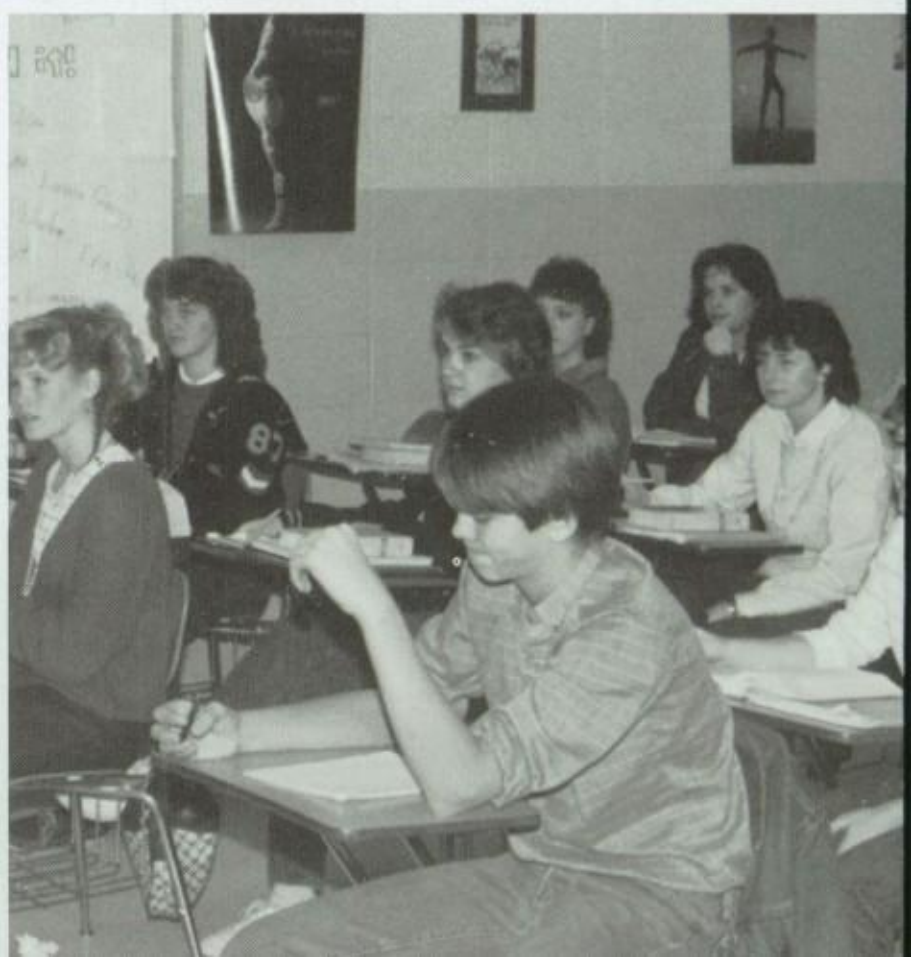
CLASSES





UNDERCLASSMEN "MERGE" INTO THE FAST LANE

Juniors Shoot for Their Final Year

The juniors spent this year on the freeway leading to success. They started the year in high gear with a destination of the 1986 prom. No trip is taken without funds, so the juniors planned several fundraisers. Their first was a magazine sale, followed by a raffle. They also sponsored the Morp dance.

As "good samaritans," the juniors took time to complete two service projects. First, they improved the scenery by putting benches in front of the school. The second was a project with the Ministerial Alliance.

Through the year, several detours brought additional class activities to the juniors. The junior float in the football homecoming parade, along with the class banner for the basketball homecoming, showed their school spirit. As they topped the last hill, the success of prom rewarded the efforts put forth by the juniors in 1986.

Sophomores Reach Halfway

The sophomores participated in many different activities. As one of their service projects, they ordered a new Missouri state flag for the school flagpole. They successfully sold cookies and candy bars as their fundraisers. The sophomores knew their hard work had paid off when their homecoming float entry, Hansel and Gretel, was announced the winner of the float competition.

From the year's activities, it's obvious the class of '88 will succeed.

Freshmen Set Their Goals

The freshmen began their year in high gear. Selling candles was their first fund raiser.

Football homecoming was a big event along the road as the freshmen tied for first place in the week-long spirit contest. Stacy Duckworth represented the freshman class in the homecoming activities.

Freshmen fun did not stop with football homecoming. Barnwarmin' was fast paced with Mandy Ryan as a queen candidate.

The third detour was basketball homecoming. They merged into the fast lane with the rest of the classes by entering and winning first place in the banner contest. TeAnn Teeter captured the honor of being elected class attendant.

The freshmen year was a big success on the road through high school for the class of '89.

Balancing equations, objectives, labs . . . If these things sound unfamiliar to you, you have never experienced science classes at SHS. Students have the opportuntity to explore the many realms of science in classes which range from general science to physics.

The math department "adds it all up." Classes range from Math I and Math Analysis to Computer Literacy where students have the opportunity to explore the fascinating world of computers.

The Arts Add Color to Our World

The practical arts classes are designed to prepare students for life after high school. Classes such as typing and accounting prepare students for clerical jobs. Other practical arts classes are home economics, and foods. These classes teach skills that will last throughout life.

Fine arts are classes for students with special talents. Musically inclined students are offered band, concert choir, girls' chorus, and mixed chorus. For artists, art is available. These classes add creativity to students' schedules.

Every year students are "drafted" into the industrial arts classes at SHS. Students have the opportunity to build bookshelves as well as houses.

SHS also offers a superb agricultural program. Class offerings range from Ag. Science to Advanced Livestock. Through courses such as these, students learn skills to help them throughout their lives.

Physical education and health classes are offered so students can learn to keep a healthy body as well as mind. Class offerings range from P.E. and lifetime sports to health.

Special People Provide Special Services

The counselors help students in ways too numerous to count. They prepare students for college and the working field as well as help with personal problems.

Mrs. Shaffer, librarian, teaches library science as well as sponsors cadet teaching. She is always helpful when students need her.

The special services department of SHS is specially designed so students can learn at their own pace. Subjects such as reading, math, and history are offered. Students progress to their fullest ability in this program.

Miss Sandy Majchzrak, Mr. Loyal Gunderson, and Miss Cindy Scherrer make up our special services department.

Miss Scherrer works with students in the resource room.

Mrs. Bernice Shaffer, librarian, is always ready to lend a helping hand.

Mr. John Craig, counselor and computer literacy teacher, and Mr. Andy Benage are the counselors at SHS.

The cooks play an important part of every school day. They plan and cook a nutritious meal to give students the energy required for a day of school. At Christmas, the cooks bake cookies for all of the students. The snack bar is an alternative to the cafeteria. If you like hamburgers or fries, the snack bar is for you.

The custodians are responsible for keeping the school clean. They work from dawn till dusk cleaning up after students. (The average teenager cannot keep a bedroom clean - can you imagine cleaning up after 650 teenagers? Well, the custodians do it every day.)

John Bell "pigs out" during lunch in the snack bar.

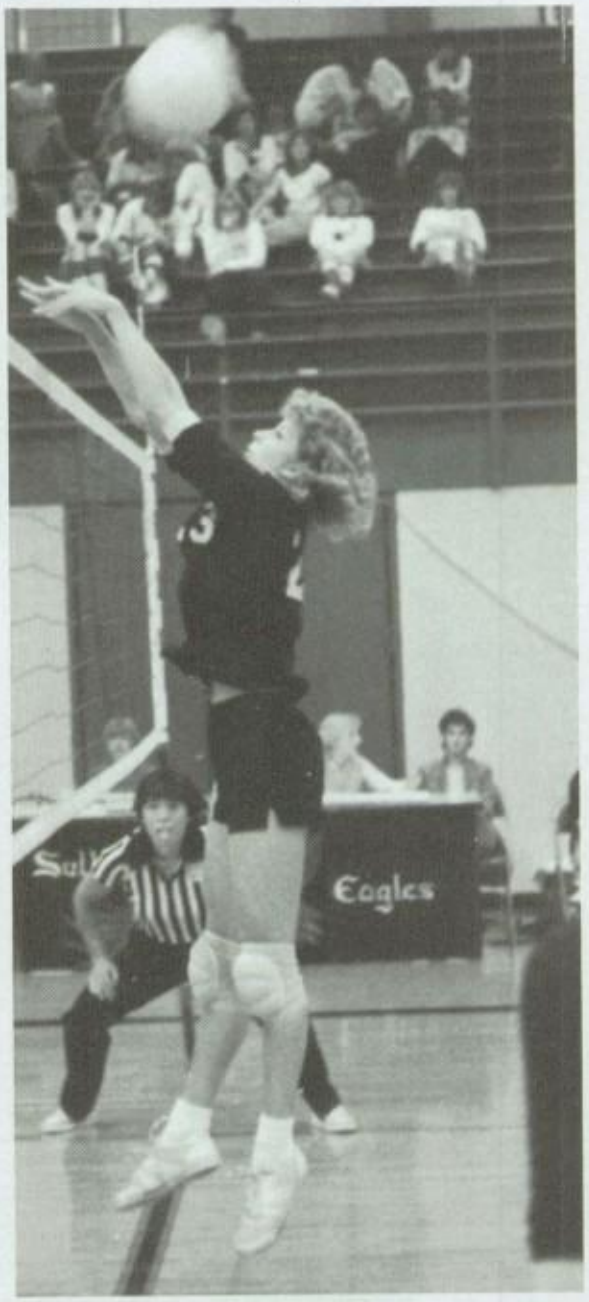
The varsity volleyball team finished the season in fine fashion. Led by Coach Cook and the senior players, the girls finished with a 500 season. By the end of the season, the girls had learned several valuable things. These included learning to work better as a team and improving their sportsmanship and discipline. The players enjoyed an impressive season, and because only three members of the team were seniors, next year's team expects to have another commendable season.

Junior Varsity is Dedicated to Winning

FIRST ROW: Mr. Cook, Coach; Tina Wilson; Tracy Neff; Terry Renick; Angie Bolin; Roberta Byers; Miss Reding, Coach. SECOND ROW: Dara Danz, Cassie Koch, Lisa Matthews, Shannon Reed, Stacy Fite, Tricia Blankenship.

Get that ball, Roberta!

This year's junior varsity volleyball team performed well while gaining valuable experience at the same time. Coach Cook and Coach Reding guided the girls to a winning season. The team reached their record of over 500 by working hard and working together. A good attitude also helped the girls. They enjoyed playing volleyball and proved that they are good athletes. Congratulations to this year's junior varsity players on a great season. We hope to see you next year!



Stacy is determined not to let the opponents win.

Never fear, Tricia's here!

The freshman volleyball team achieved a winning season this year. The team's accomplishments truly seemed impressive because of the fact that this was their first year of high school volleyball. The girls learned a lot throughout the season, which will help them next year. Coach Reding coached the team through an over 500 season. The girls will add their eagerness and ability to next year's teams, which should make the season exciting. This year's freshman team surely deserves a pat on the back for their hard work and determination.

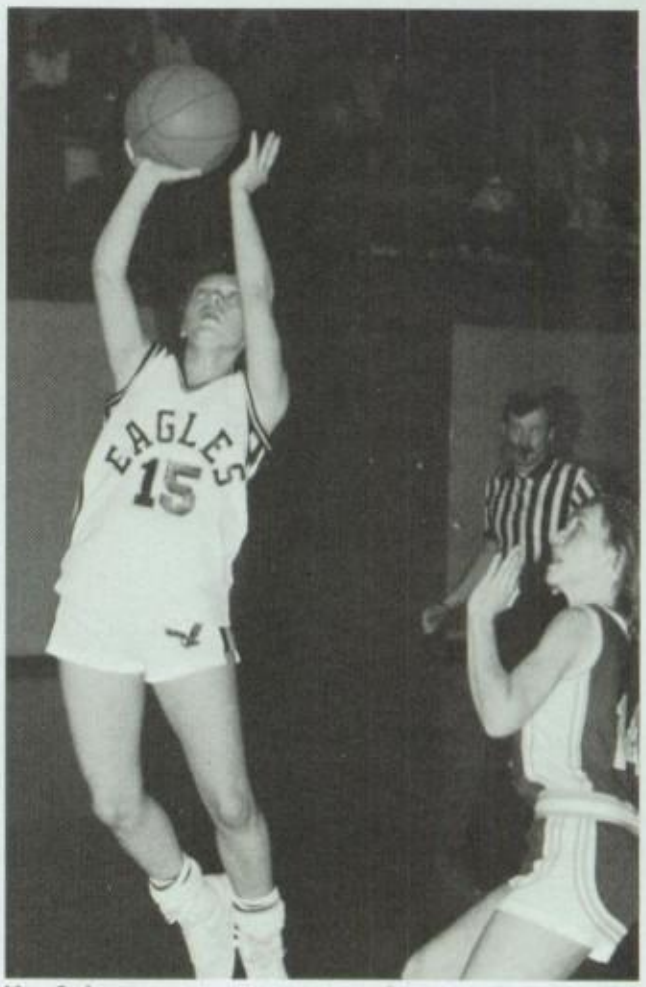
The 1985 cross country teams, headed by Coach Granneman, enjoyed a very successful year. Both teams got off to a good start and kept improving throughout the season. At the large meets, several members placed well against tough competition. One of the highlights of the season was hosting the Sullivan Invitational. At the District meet the girls' team captured fourth place, and the boys' team finished second overall. With their fine district performances, both teams were able to go to the state meet at Jefferson City. This was a great way to end an outstanding season. Congratulations to the 1985 cross country teams!

Girls' Basketball Jumps

FIRST ROW: Kim Roberts, Diane Huff. SECOND ROW: Barbara Stubblefield, Lori Johanning, Gale Stack, Andrea Livell. THIRD ROW: Manager Dee Sherrick, Marybeth Miller, Beth Roberts, Miriam Hardecke, Eraka Head, Lisa Matthews, Manager Cassie Koch. FOURTH ROW: Coach Larry Mueller.



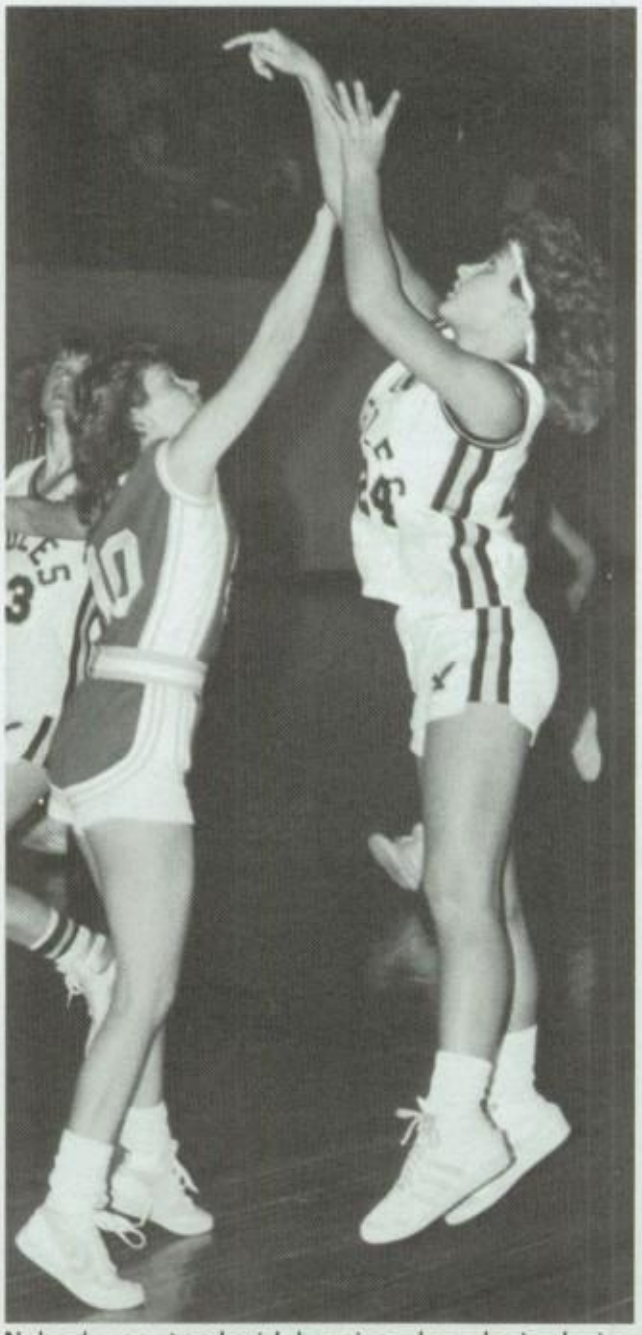
Kim Roberts is an aggressive player and a valuable team member.

The girls' basketball teams scored many points and blocked many passes during the season. Most of all, the girls gained the self-discipline of the daily practices led by Coach Larry Mueller, assisted by Coach Frank Chlipala.

Gale Stack led the team in scoring, with Diane Huff and Barb Stubblefield bringing in a very close second and third. For Junior Varsity, Beth Roberts led the scoring and Tracy Neff was a close second.

At the Pacific Tournament the varsity team defeated Fort Zumwalt 48-47 to win third place, and at the St. Clair Tournament they took Consolation.

Seniors Kim Roberts and Diane Huff were honored at senior night, February 24. When asked to comment on the teams, Coach Mueller enthusiastically responded with, "They hustle aggressively, have a lot of desire, and have worked hard all season!"



Nobody can stop Lori Johanning when she is playing offense.

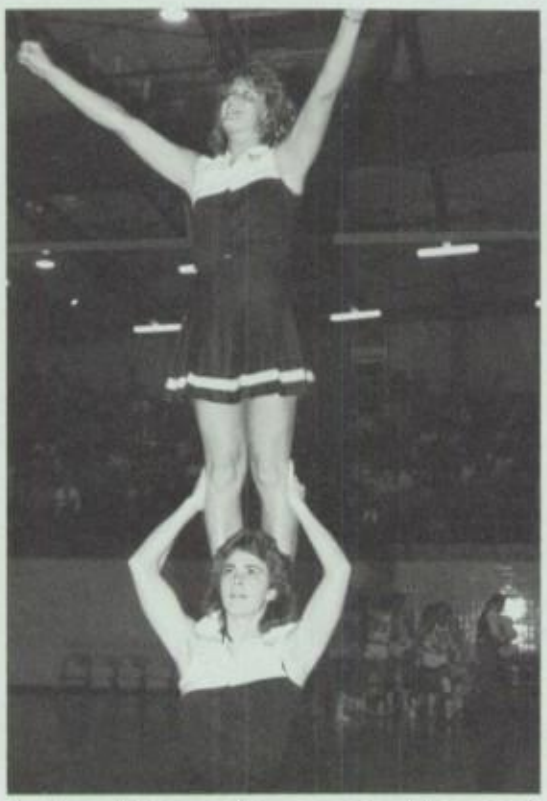
Cheerleaders Make It to the Top

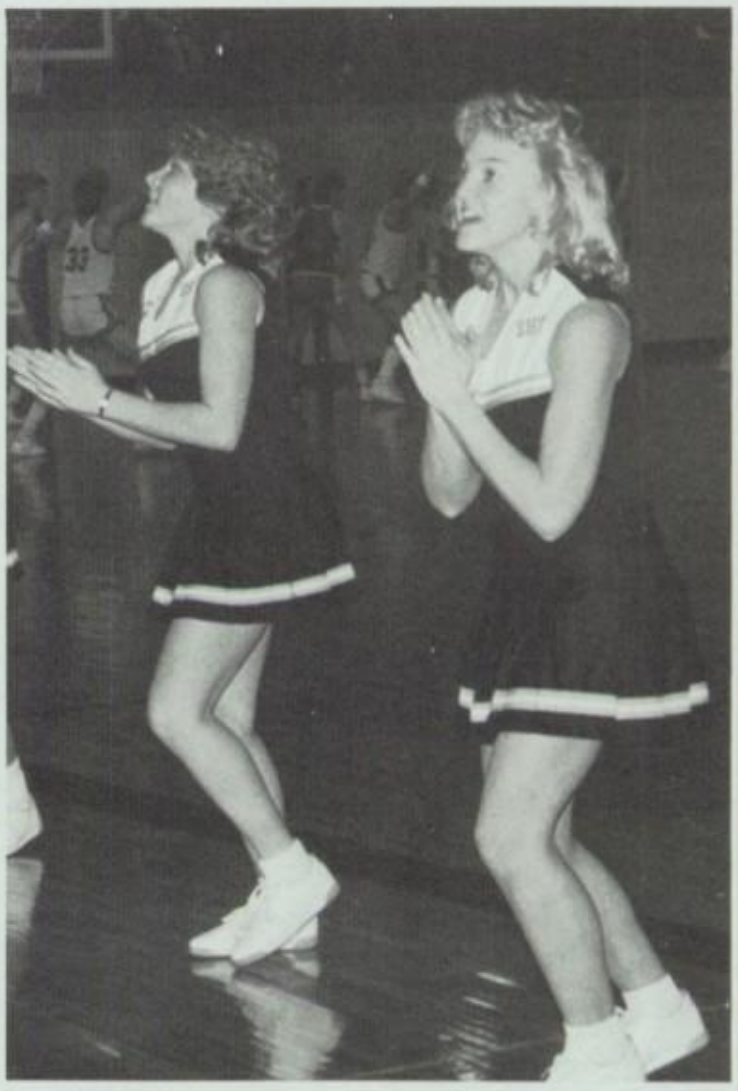
The varsity cheerleaders are all smiles as they anticipate the start of the homecoming parade.

Sophomore cheerleaders get their class involved with the sound-off cheer done at the homecoming assembly.

The cheerleaders began practicing in June. The varsity squad prepared most of the summer to attend an NCA camp held in Springfield. In camp competition they received three blue ribbons, a red ribbon, a spirit stick, and one of the coveted awards for excellence. The junior varsity squad attended camp in St. Louis. Both squads learned many cheers, dances, side-line chants, and pyramid techniques. The cheerleaders performed two routines, one at "Meet the Eagles" and the other at the first home football game. Mrs. Busch devoted her time to teach the girls routines made up of dances, cheers, and moving pyramids. She also worked many hours teaching the floor cheers and pyramids to be performed at the games. Mr. Blomberg assisted Mrs. Busch in sponsoring the cheerleaders by attending a number of basketball games.



Traci and Lisa perform a shoulder stand along with other cheerleaders to get the crowd to participate.



Brenda and Lisa, two senior cheerleaders, have cheered all four years.

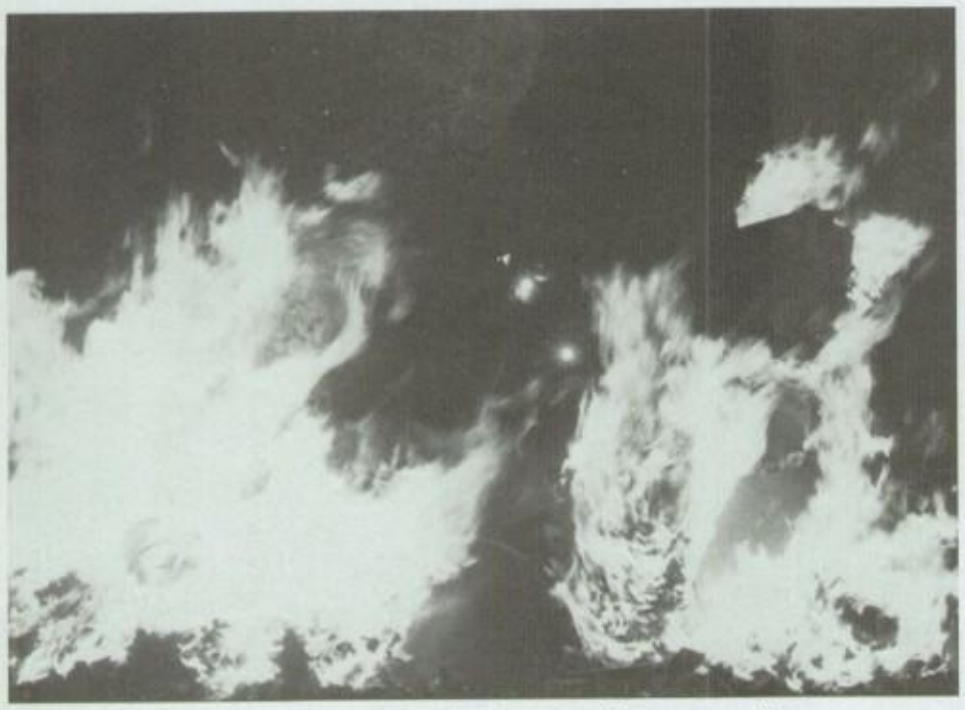
ACTIVITIES

THERE'S MORE THAN "ONE WAY" TO GET INVOLVED

Fairy Tales Can Come True

The marching band stepped sharply in the homecoming parade.



The bonfire and the pep rally are a 19-year tradition.

Once upon a time there was a football homecoming, one of the big events of the year. Preparations were made for the spirit week, election, parade, dance, and coronation.

This year the theme was "fairy tales." A lot of effort was put into the parade, and the sophomores' float took first place. Second went to FFA, and the juniors placed third.

During the week students voted on the queen candidates and were excited about who was going to be the new queen. Apollo donated fireworks, which were released along with balloons when the queen was announced at halftime. The homecoming queen was Rae Lynn Ryan.

After the game students attended the big dance.

And everybody lived happily ever after.

The homecoming dance was a lot of fun and a good way to meet new people.

Matt and Annette did their best to keep the goat on the float.

Berri, Terri, Cindy, Cassie, Staci, and Marci showed their school spirit by not matching on "clash day."

There were a lot of smiles on the sophomores' float, which took first place.

Basketball Homecoming Creates Excitement

During the homecoming pep assembly, the scrub club spelled out E-A-G-L-E-S to inspire the students' school spirit.

Coach Marshall Schaefferkoetter delivers last-minute pointers to the team.

Angie Gauer was crowned the 1986 Basketball Homecoming Queen.

The homecoming activities kept everyone busy throughout the week. Students dressed differently each day to show their school spirit. The freshman class won the spirit banner contest held by Student Council. With Becky's spirit and enthusiasm she led one of Sullivan's most successful assemblies.

Both the stage and the cafeteria were decorated with the theme "Rainbows" for the coronation which was between games, and the dance which was after the varsity games. The highlight of the coronation ceremony occurred as Angie Gauer was crowned the 1986 Basketball Homecoming Queen.

Barnwarmin' Adds to FFA Success

The Future Farmers of America had a tremendous year, filled with fund raisers, service projects, and contests.

Barnwarmin' was a huge success with live music provided by Wild Country. Everyone looked forward to attending this annual event, and the evening went well.

FFA also had a successful year with their fruit sales — Mary Schatz was the top salesperson. The money raised helped sponsor many FFA projects.

Mary Schatz earned the honor of being elected Area XI treasurer.

Every year FFA completes a "Building Our American Communities" project. This year they landscaped the new firehouse, which improved the appearance of our community greatly.

During the football season, FFA constructed a cannon to be used to boost spirit. The fans really appreciated this special effort.

FFA's teams prepared very hard for this year's district and state contests. Mr. Kramme and Mr. Freeman both agreed that this year's teams were the best they've had.

FFA had a busy year, and they accomplished a great deal.

SHS Organizations Open New Doors

Through their years at SHS, students receive opportunities to participate in a variety of clubs.

CloseUp gives students the opportunity to learn about government and work toward a trip to Washington, DC. The Future Teachers of America was another active club this year which worked to develop students headed for a future in the teaching field. The Photography Club was available for those students wanting to capture all the action by learning the art of photography.

S.A.D.D., an organization formed just last year for students against driving drunk, has attempted to make the roads of Sullivan a safer place to drive. The Fellowship of Christian Athletes was organized this year to give students the opportunity to have good Christian fellowship. The Drama Club worked together this year to put on two productions — the fall play, "A Midsummer Night's Dream," and the spring musical, "Snoopy."

So whatever your interest may be, there is something for you at SHS.

NHS Members Have Traveled to the Top

National Honor Society is composed of juniors and seniors who, while excelling academically, display outstanding leadership, character, and service capabilities. Members are selected from a list of juniors and seniors with a cumulative grade point average of at least 3.5.

This year, the second-year members enjoyed a dinner with the Optimist Club, participated in the football homecoming parade, and assisted visiting parents during the parent-teacher conferences.

Once again, a nice initiation ceremony was held to bring in thirteen new members. All of the members visited a Franklin County court hearing and were guests of the Rotary Club for a luncheon.

FIRST ROW: Becky Blankenship. SECOND ROW: Karen Whitchurch, Jennifer McDonald, Lisa Rodgers, Amy Turner. THIRD ROW: Mara Summers. FOURTH ROW: Sabrina Schatz, Lisbeth Christiansen, Laura Stevens, Earla Hardecke, Angie Farrell. NOT PICTURED: Glenda Hardecke.

The yearbook staff worked many hours preparing this year's book. They had a lot of work to do and not a lot of time to do it in. Early this year, the staff members asked the businesses to buy advertisements to help defray the cost of the book to students.

Mara Summers and Laura Stevens acted as editor and business manager respectively. They both worked additional hours to put finishing touches to the book.

Miss Pat Bryan and Ms. Pam Hagan co-sponsored the 1986 Eagle.

ABOVE: Becky and Earla prepare their assigned pages. RIGHT: Mara and Sabrina choose pictures for the senior section.

As one of their jobs on the yearbook staff, Angie, Lisabeth, and Glenda stamp pictures.

Amy, Laura, and Lisbeth devoted a lot of time working on their layouts for the yearbook.

Concert Band Sets New Goals

Brian says, "You won't believe this Darrin, but a snowman is trying to get my trombone."

The SHS Concert Band started many new projects this year. They took a trip to Chesterfield Mall to play Christmas music for shoppers passing by. Their spring contest was also a new experience. Instead of going to the ECC Contest, Gateway Band Festival was their choice. This year the band also showed how spirited it was by playing pep band at basketball games.

Of course, the band also kept some of its traditional ways. The annual Christmas and spring concerts were performed. Solos and ensembles went to East Central College to receive ratings and go on to state.

The directors were Mr. Larry Smith and Mr. Edwin Frederickson.

SHS Concert Band performs its annual Christmas Concert.

The pep band cheers the basketball Eagles to a victory.

Mr. Smith tells the first row to get it right, or else!

Mr. Smith asks, "Okay, band, how many fingers am I holding up?"

Jazz Band Swings Ahead

The SHS Jazz Band is a group who get together at least three mornings a week to play jazz. These are special band students who spend much of their spare time practicing.

Jazz involves many of the difficult aspects of music and can be played in many styles, such as swing, rock, ballads, sambas, and the toughet of all, improvisation. Jazz band is under the direction of Mr. Edwin Frederickson. The saxes are Becky Blankenship, Jennifer McDonald, Lesley Christopher, Angie Ruble, Dave Derrington, Karen Whitchurch, and Burk Kitchen. The trombones are Matt Sanders, Brian Koenig, Darrin Williams, Sean Tice, Brian Lawrence, and Gale Stack. The trumpets are Darrin Tourville, Eric Stack, Jason Girardier, Rob Woodruff, Mike Muessemeyer, and Ron Vassali. The rhythm section of the band is made up of Rachel Pondrom, John Volkman, and Denise Pfeiffer.

The SHS Jazz Sax Line swings to the beat of "Clams, Anyone?"

The Brass section of SHS Jazz makes the band sound exciting.

John Volkman really knows how to twinkle his fingers to the beat.

Mr. Edwin Frederickson directs the jazz band during a Christmas Concert.

Marching Band Keeps the Beat

Jennifer wins an outstanding Drum Major Award at Francis Howell Marching Festival.

Brian gives Debbie a concert of one.

The Screamin' Eagles Marching Band had an outstanding season in 1985. They received seven trophies in only three competitions. Some of these were special — as in outstanding percussion, auxiliary, and corps major. The band was under the direction of Mr. Larry Smith, Mr. Edwin Frederickson, Mrs. Deanna Spurgeon, and Corps Major, Jennifer McDonald.

Wendy, John, and Angie were a big part of the success of the percussion section.

Our Marching Band supports the community at the Fall Festival Parade.

Screamin' Eagle drum-line wins two outstanding awards and holds the band together.

The Screamin' Eaglettes are Cheryl Collier, Angie Ruble, Susan Tiefenbrunn, Tina Sappington, Lesley Christopher, Denise Pfeiffer, Shannon Gallagher, Angie Farrell, Nora Kuhn, Kim Berti, Liz Laubinger, Cindy Berti, Theresa Keeney, Laura Gauzy, Lisa Matthews, Charlene Timmermann, and Nikki D'Isa.

Everyone marches into place as Greg and Brian play their solos.

Chorus Never Lets the Music Stop

The SHS Choral Groups, under the direction of Mrs. Deanna Spurgeon, completed another year of fine performances.

The Concert Choir held a beautiful Christmas Concert and also provided Christmas entertainment for the shoppers at Chesterfield Mall one afternoon. They had another successful year at the district music contest with many students earning with ratings. The year was then ended with a spring concert.

The SHS Pop Choir also had a successful year. They performed two concerts during the year and hosted an exciting pop choir festival.

FRONT ROW: Diana Hoke, Tina Sappington, Amy Turner, Sean Tice, Brian Koenig, Cliff Dudley, Amy DeLuca, Debbie Pfeiffer, Patty Downing. SECOND ROW: Dawn Niswonger, Cindy Berti, Lisa Finley, Tim Logan, Brian Lawrence, Scott Seaton, Kurt Helton, Jeannie Susnic, Tracy Ware, Kelly Kage, Teresa Smith. THIRD ROW: Kelly Emily, Karen Whitchurch, Becky Blankenship, Cissy Barton, Wally Spindler, Rob Woodruff, Drew DeVeydt, Jim Rodgers, Garrel Renick, Lesley Christopher, Laura Stevens. FOURTH ROW: Susan Hutchison, Rachel Pondrom, Sabrina Schatz, Greg Cox, Danny Rohrer, Darren Tourville, Andy Edwards, Darrin Williams, John Volkman, Glenda Hardecke, Nora Kuhn, Carla Hardecke.

Mrs. Spurgeon directed the choir through another successful year.

The concert choir made a glowing entrance at the Christmas Concert.

The Elementary Honors Choir, directed by Mrs. Lolita Cox, helped out in two Christmas songs.

Amy seems to be pretty tickled about that last song!

Brian tells the crowd that he's getting "Nuttin' for Christmas."

The Pop Choir brightened the year with its entertainment.

Girls Chorus has another excellent performance.

Darren captures the attention of the audience.

Rachel, Susan, and Glenda put the audience in the Christmas spirit.

The Pop Choir girls step out for a few last words.

Student Council Leads the Way

King, Charlene Timmerman, Jeanette Weiskopf, Eric Matlock, Susan Hutchison.

Student Council has had a successful year. We have sponsored many new activities, along with the old, and we have also done more service projects than ever! In addition to this, we have been elected the 1986-1987 South Central District President.

I would like to thank Sean Tice, vice president; Lisa Rodgers, treasurer; and Nikki D'isa, secretary, along with the rest of Student Council for their hard work and dedication. I would also like to thank our sponsors Mrs. Pam Hagan and Mr. Russ Becherer for their time and help. Without them, we couldn't have accomplished anything

Most of all, I would like to thank the students who participated in the activities and showed some spirit for SHS.

Becky Blankenship
